LB 412

the committee amendments that has not done so? We are voting on the committee amendments to LB 412. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of committee amendments.

SPEAKER NICHOL: The committee amendments are adopted. Senator Warner.

SENATOR WARNER: Mr. President and members of the Legislature, LB 412 adjusts the fee that the vendor can retain for trip permits, trucks coming into the state. A couple of years ago you may recall we repealed the old provision for those vehicles coming into the state on occasions where there used to be a requirement, the measure, the amount of gas they had in their tanks and had a limit on it and it was difficult if not impossible to enforce and so we established the fee permit which a vehicle can use not to exceed three trips per month and for a period of seventy-two hours. What the bill does, it changes nothing of the substantive law that we now have but it does permit the same system of reimbursement to vendors as, for example, we have with hunting licenses where the fee that is collected at the vendor for their and for which they get paid their services is a 10% above whatever the base fee is for...goes to state government and that is what this bill does. It makes it a 10% fee. Those fees for coming into the state could be anywhere from \$10.00 to \$50.00 and it puts a maximum of 10% not to exceed \$5.00 that the vendor would receive for the distribution or the issuing of those trips. I will have an amendment also for Select File which will make it clear that you must purchase those permits at the first point of opportunity to do so which is somewhat of a problem now and secondly, it would also permit the State Patrol to enforce the provision which they currently are not able to do by statute but I will offer those on Select File. Move the bill be advanced.

SPEAKER NICHOL: Any other discussion on LB 412? If not, the question is, shall LB 4 (sic.) advance. All those in favor vote aye, opposed nay. Senator Warner, what do you think?

SENATOR WARNER: I hate to ask for a Call of the House.

SPEAKER NICHOL: A Call of the House has been requested. All those in favor vote aye, opposed nay. Oh, you didn't request?
